## **Global Housing, Healthcare and Enablement Awards 2025**

LONDON, 4th December, 2025: **Your Hart2Hart** has won a Global Award as **Recognised as the World Leader in Respite Therapy & Community Care in 2025**

The Global Award was presented at a Gala Dinner in London on December 4th 2025.

The Global Awards were created to celebrate and reward the best individual and company performances in Seniors Housing/Care Trends, Healthcare IT, Apps/Digital Innovation, Disability Housing and Care Services and the Medical Tourism sectors worldwide. The Awards recognise the rapid growth of these sectors worldwide, and the capacity of individuals to influence and set new performance standards across countries, regions and the world. The Awards focus on elevated performance; the creation of new business models; contrarian thinking; recognising and embracing new trends; market leadership; inspirational performance and the elevation of the customer experience.

The evaluation methodology required the Global Awards Secretariat to apply the following test to the final selected candidate in each category, "Is this claimant the best performed, most meritorious, most innovative and most courageous in the category?"

Awards are only made in the categories which merit the accolade each year.
